## Submit your listings

It's easy! Just follow these guidelines.

Listings have a maximum number of characters: **EXAMPLE**: Adjustable drag brake makes it easy to tune to track conditions.

The sentence above would count as 64 characters with spaces, rather than 11 words.

(Helpful hint: In Microsoft Word, under the Tools menu, the Word Count tool will also display character counts).

#### **INCLUDE ALL THE FOLLOWING:**

**Category:** Select from list provided **Subcategory:** Select from list provided

**Company Name:** 28 characters (with spaces) or less **Product Name:** 30 characters (with spaces) or less

Price: 40 characters (with spaces) or less

**Item Number:** 50 characters (with spaces) or less **Web Address:** 35 characters (with spaces) or less *Please list web address as yoururl.com not www.yoururl.com* **Description:** 450 characters (with spaces) or less **Photo name:** Please use your manufacturer name followed by product name (for example: Acme driveshaft).

**EMAIL IT:** Place your Excel document with all your listings and your high resolution photos in a folder. Name your folder by your manufacturer name followed by gg16 (for example: Acme\_gg16). Zip your folder and email it to gearguide@airage.com. We'll take care of the rest!

#### **STANDARD LISTINGS**
