

JANUARY

90th Anniversary Issue!

Model Airplane News will celebrate 90 years of publication with this issue, which will include a walk-through history as we see how much has—and hasn't!—changed in the model airplane hobby. This issue will also have a Plans Guide with the best MAN plans throughout the years. Sponsor this section and put your brand in front of dedicated, hard-core modelers.

FEBRUARY

New Year, New Gear

What's going to be big in 2019? We showcase the 50 best new planes, drones, accessories, and gear, along with sneak peeks of some impressive planes and products.
