When we visited Jada at the New York Toy Fair in February we got a sneak peek at a bunch of new stuff they have in the works for 2018. One of the best parts was walking through the Jada display and talking face to face with the guys who dream up these cars and then make them happen. Finding out what projects they're personally most excited about is far more informative than any press release. As it turns out, the vibe behind one of our favorite new Jada cars—the classically
